Dear Sir:

The above-identified patent does not show the assignee's name on the face of the patent. This is due to inadvertently omitting the assignee's name in item 3 of the Issue Fee Transmittal Form PTOL-85B by applicant's attorney.

A copy of the Notice of Recordation of Assignment Document reflecting the reel, frame number and recordation date is attached hereto reflecting proof the assignment was submitted for recordation.

The processing fee set forth in 37 CFR 1.117(h) in the amount of \$130, is transmitted along with this Request.

The error now sought to be corrected is an inadvertent typographical error the correction of which does not involve new matter or require reexamination.

Should this Request be granted, please forward this file to the Certificates of Correction Branch for issuance of a Certificate of Correction. Transmitted herewith is a proposed Certificate of Correction effecting such amendment. Patentee respectfully solicits the granting of the requested Certificate of Correction.

The Director is hereby authorized to charge any deficiency in the fees filed, asserted to be filed or which should have been filed herewith (or with any paper hereafter filed in this application by this firm) to our Deposit Account No. 07-1180, under Order No. UTX-10502/38. A duplicate copy of this paper is enclosed.
